

# En Vogue, Free Your Mind

I wear tight clothing and high heel shoes  
That doesn't make me a prostitute  
I like rap music, wear hip hop clothes  
That doesn't mean that I'm sellin' dope  
Oh my please forgive me for having straight hair  
It doesn't mean there's another blood in my heirs  
I might date another race or color  
Doesn't mean I don't like my strong black brothers  
Free your mind and the rest will follow  
(Why oh why must it be this way)  
Be color blind don't be so shallow  
(Before you can read me you gotta learn how to see me)  
So I'm a sista  
Buy things with cash  
That really doesn't mean that all my credit's bad  
So why dispute me and waste my time  
Because you think that the price is too high for me  
I can't look without being watched  
You rang my buy before I made up my mind  
Oh now attitude why even bother  
I can't change your mind, you can't change my color  
Free your mind and the rest will follow  
(Why oh why must it be this way)  
Be color blind, don't be so shallow  
(Before you can read me, you gotta learn to see me)
