

# Endymion, Drunk With A Gun

Oh no  
Uh oh

Slap it down

Don't make me shoot y'all

I gotta maintain  
'Cause stress on the brain  
Can lead to a motherfucking suicide thing

Drunk with a gun  
Makes you hit the crowd

Tear the roof off

Don't make me shoot y'all

Slap it down

Drunk with a gun  
Makes you hit the crowd

I gotta maintain  
'Cause stress on the brain  
Can lead to a motherfucking suicide thing

Tear the roof off (x3)  
Don't make me shoot y'all

Slap it down

Drunk with a gun  
Makes you hit the crowd

I gotta maintain  
'Cause stress on the brain  
Can lead to a motherfucking suicide thing
