Engelbert Humperdinck, There Goes My Everythi

There goes my only possession
There goes my everything
I hear footsteps slowly walking
As they gently walk across the lonely floor
And a voice is softly saying
Darling this will be goodbye for evermore
There goes my reason for living
There goes the one of my dreams
There goes my only possession
There goes my everything
As my memory turns back the pages
I can see the happy years weve had before
Now the love that kept this heart beating
Has been shattered by the closing of the door
