

Engelbert Humperdinck, There's A Kind Of Hush

There's a kind of hush all over the world tonight
All over the world you can hear the sounds of lovers in love
You know what I mean
Just the two of us and nobody else concerned
There's nobody else, and I'm feeling good holding you tight

So listen very carefully, closer now
And you will see what I mean (see what I mean)
It isn't a dream (it isn't a dream)
The only sound that you will hear
Is when I whisper in your ear, I love you forever and ever

There's a kind of hush all over the world tonight
All over the world people just like us are falling in love
So listen very carefully, closer now
And you will see what I mean (see what I mean)
No no, it isn't a dream (it isn't a dream)
The only sound that you will hear
Is when I whisper in your ear, I love you forever and ever

There's a kind of hush all over the world tonight
All over the world people just like us are falling in love
Are falling in love
Fallin' in love
