

# Engelina, Show Me

You got to show me  
Assure me  
Nothing will go wrong  
You got to show me  
Why you're holding on  
You've got to show me  
Assure me  
Nothing will go wrong  
You've got to show me  
Why you're holding on

Maybe  
You think it's not enough  
Can't you see I'm trying hard  
To be open  
Tonight  
If we get a little closer  
If we get a little deeper

We'll be complete

You got to show me  
Assure me  
Nothing will go wrong  
You got to show me  
Why you're holding on  
You got to show me  
You got to show me  
You got to show me  
You got to show

You got to show me  
Assure me  
Nothing will go wrong  
You got to show me  
Why you're holding on
