

Engerica, Crooked Sex

We are the vaccinated
Bow-legged and so frustrated
Got you all tied up got you all tied up
I picked a prissy little missy or a catholic to give it up

She would do anything!

Down! Down! Down! Down! Down! Keep it up
I only want to play
And I don't care about your hymen anyway
And I want be your crooked sex
I want be your crooked sex
And I want be your crooked sex
I want be your crooked sex

Daddy daddy you never gave me anything
Daddy daddy you never...
