

# Engerica, Detective Show

This is a...this is a...a song  
About a show, on TV  
A detective show if you will

All about cops and robbers!  
Shooting guns! High speed car chases!  
Rolling into the night!

Don't believe me? Take a look!

Testing!? Is this thing on!?  
I've got something to say  
Even I know that it is wrong  
I gotta fever, inside my lungs  
I want to be the only one  
But you know that I'm NUMBER 1!

It's...me...again  
Got...no...friends.

A ridiculous word  
Remember, what your dad said?  
He was a fucking liar so forget what I just said  
I gotta no one, to talk to now  
I think that I'm believing everything  
That I have got and now...

It's...me...again.  
Got...no...friends.

1-2 1-2 TESTING TESTING!  
One two three four!

Go! Me! Way!  
Some! Must! Pay!

Some of us must pay!
