

# Englishman J., The One Thing

Well I'll play all that I got to play  
Coz it lets me be what I need to be  
And I'll sing all that I got to say  
Coz it's the one thing you can't take away from me

I got a pocket full of magic and a bottle full of wine  
I'm goin' down to the water where the river runs high  
Coz when I get there  
Things get so clear  
I've been angry like a dog that's been kicked and beat  
Tied to a post when I wanna run free  
It's been so bad  
I've been so mad

So I'll play all that I got to play  
Coz it lets me be what I need to be  
And I'll sing all that I got to say  
Coz it's the one thing you can't take away from me  
This is the one thing you just can't

Well I'm not sure what I see when I look in the mirror  
I'm a picture that I've painted who's edges are unclear  
I've been faded  
So jaded  
I got so afraid of dying I've forgot to live  
And I hit the ground running with nothing to give  
And I broke down  
But I'm back now

So I'll play all that I got to play  
Coz it lets me be what I need to be  
And I'll sing all that I got to say  
Coz it's the one thing you can't take away from me  
This is the one thing you just can't

This is the one thing that is mine  
This is the thing that gets me by  
So don't you ever cross that line  
This is the one thing that is mine

All mine  
All mine  
All mine

So I'll play all that I got to play  
Coz it lets me be what I need to be  
And I'll sing all that I got to say  
Coz it's the one thing you can't take away from me  
This is the one thing you can't take away from me  
This is the one thing that no one else can have
