

Enigma, Between Mind And Heart

It's hard to find the balance, when you are in love.
You're lost in the middle, cause you have to decide.
Between mind & heart.

Heart is the engine of your body,
But brain is the engine of life.

Between mind & heart.

Heart is the engine of your body,
But brain is the engine of life.

Between mind & heart.
Between mind & heart.

Between mind & heart.
