

Enigma, Turn Around

Turn around and I will show you something
Turn around and you will see
Life, like a real way out, a kind of LSD
Turn around, you're feeling all the changes
Turn around and you will feel
You'll reach your holiness

You are a part of me

Turn around and I will show you something
Turn around and I will show you something
Turn around and I will show you something
Turn around and you will see

Life, like a real way out, a kind of LSD

Turn around, you're feeling all the changes

Turn around and you will feel

You'll reach your holiness

You are a part of me
