

# Enon, Conjugate The Verbs

She's on an unconscious mission to destroy you  
Her reasons are a part of every scientific car  
Permanent reasons, the kind that we love to break  
And there's no doubt about it when there's everything at stake

That's the way it works  
That's how that they want it  
Conjugate the verbs  
Get your sass in the morning

When we were 12 or 22

Every day and night  
They're runnin the faucet  
Excavate the urge  
They're piling up in the closet  
Substitute the words  
They're already boring  
Call the troops rehearsed  
The first shot is a warning

When we were 12 or 22

When we were given Saturday  
I think of all the things to you I wanted to say  
But we are never yesterday  
to blow another day
