

Enrique Iglesias feat Sean Garrett, Away

this feels like the coldest day in a hurricane looking through a glass window
and ya screaming to the top of your lungs, and the bells done rung
and the crowd can't hear you

and all that i can see is a building burning

i just gotta rescue my baby but you don't even recognize me
and even though the feeling's been gone i just wanna be here
to pick up the little pieces of remains

i'm going down the plane is smoking

and the only one who can save me is you but you wanna throw me away

Away, away, away, away, oh why

i wanna know

i wanna know why you wanna throw me 3X

You used to ask why i was i so skeptic, of love girls cuz changes, and it
ain't got to be no real season

You start to live the dream and before you know

there is a door that open,

and the moment you walk in it close

Maybe it's somebody else or a situation that you can't help

oh love oh love oh love oh love

just ain't what it used to be

i confronted my fears with open arms

although you said you will never give

up on us but now you blow me

Away, away, away, away, oh why

i wanna know

i wanna know why you wanna throw me 3X

Perfect we said we'd never be so why is this happening to me

no way, no way, no way, no way...

Away, away, away, away, oh why

i wanna know

i wanna know why you wanna throw me 3x
