

# Enrique Iglesias, Little Girl

Little girl  
kisses her mom  
Tells her I love you  
Holds on to her neck

Little girl doesn't have much  
She walks with a smile  
she's so full of life

But she cries in the night  
Just to try to hold on  
No one can hear her  
She's all alone

This little girl closes her eyes  
all that she wants  
is someone to love  
Someone to love

Little girl  
She's all grown up  
Oh she's getting fevers  
she's a big star

Little girl  
Fights with her mom

Can't believe money  
Changed who she loved

And she cries in the night  
Just to try to hold on  
But no one can hear her  
She's all alone

This little girl closes her eyes  
all that she wants  
is someone to love oh yea  
Someone to love oh yea

She cries in the night  
Just to try to hold on  
No one can hear her  
She's all alone

This little girl closes her eyes  
all that she wants  
is someone to love (someone)  
Someone to love (someone)  
To love (someone)  
To love (someone)  
Someone (fade out)
