

Enrique Iglesias, Miss You

Yeah miss you..

Tonight I feel so cold and lonely

And baby you're so far away

The space between us keeps on growing

How I wish that you could hear me when I say

no no no no no no

wish you hear me saying

no no no no no no

oh I miss you oh I miss you

oh baby since you walked away

oh I miss you oh I miss you

I miss you more and more each day

Now tell me do you think about me

Coz I think about you all the time yeah

Only miles just stand between us

And I don't wanna stop until you die

no no no no no no

wish you hear me saying

no no no no no no

oh I miss you oh I miss you

oh baby since you walked away

oh I miss you oh I miss you

I miss you more and more each day

(Spanish)

no no no no no no

wish you hear me saying

no no no no no no

oh I miss you oh I miss you

oh baby since you walked away

oh I miss you oh I miss you

I miss you more and more each day

(repeat 3 times)

I miss you more and more each day

I miss you more and more each day

I miss you more and more each day
