Enrique Iglesias, You're My #1

I've kissed the moon a million times Danced with angels in the sky I've seen snowfall in the summertime Felt the healing of the powers above

I've seen the world from the highest mountain Tasted love from the purest fountain I've seen lips that spark desire Felt the butterflies a hundred times

I've even seen miracles I've felt the pain disappear But still haven't seen anything That amazes me quite like you do

You bring me up when I'm feeling down you touch me deep you me right You do the things I've never done You make me wicked you make me wild 'Cause baby, you're my #1

I've sailed in a perfect dream I've seen the sun make love to the sea I've kissed the moon a million times Danced with angels in the sky

I've even seen miracles I've seen the tears diappear But I still haven't seen anything That amazes me quite like you do
