

Enriquez Jocelyn, Save Me From Being Alone

To live in a house not a home
I've counted my tears falling down each night for all these years
I can't believe it ends like this
We've gone on our own separate ways to find ourselves again
Where should I go from here can I live here without your love
Somehow someday I'll make it through
Please help me ease the pain
I'm lost I can't find my way
Hope and pray it will end in time the pain inside
Can somebody hear I'm crying for shelter
Please help me see this through
A world that can no longer feel
Seems that they have abandoned me forgotten me
Do I blame myself
Save me from being alone
How can you mend a lonely soul
Trying to leave the past the sorrow and the lies
How can I forgive someone who just doesn't understand
That true love is gone away
Maybe it's for the best to live these lives on our own
To say goodbye still I wonder why
Please help me ease the pain
I'm lost I can't find my way
Hope and pray it will end in time the pain inside
Can somebody hear I'm crying for shelter
Please help me see this through
A world that can no longer feel
Seems that they have abandoned me forgotten me
Do I blame myself
Save me from being alone
(To live in a house
(Without your love)
(Still wonder why)
(Can somebody hear)
(Can somebody hear)
(I'm crying for shelter)
Save me from being alone
