

# Enslaved, Ridicule Swarm

(Music: Ivar Peersen - Lyrics: Per Arild Husebr)

Pallid it hangs  
In awe of amusement  
Litany swarm  
Bleak I say are the crutches of the assembly  
And flies cling to it  
More so ever the fingers to animate

Insubordinate, fickle exequies  
Putrid core

Naudr.....the ligature it can't break  
Lagu.....the whispers it can't hear

Insubordinate, fickle exequies  
Putrid core

"Er du halt kan du ri  
Handlaus gjeta  
Er du dauv kan du duga i strid  
Blind er betre enn brend vera  
Daud mun ein lite duga"

Slain, and thoughts pour from the gutted mind.

Ver kappi mot kristni  
Ver kappi mot kross  
Ver kappi mot Hvitkristr  
VER VANN  
VER VANN  
VER VANN

"Er du halt kan du ri  
Handlaus gjeta  
Er du dauv kan du duga i strid  
Blind er betre enn brend vera  
Daud mun ein lite duga"

NAUDR.....
