

Entwine, Carry On Dancing

The moonlight...
Shines down interstellar beams
and the groove tonight
is something more than you've ever seen
The stars and planets taking shape
a stolen kiss has come too late

CHORUS

In the moonlight
Carry on, keep romancing
Carry on, carry on dancing
In the moonlight
Carry on, keep romancing
Carry on, carry on dancing

You're never safe 'till you see the dawn
And if the clock strikes
past midnight, the hope is gone
To move under...the moon

CHORUS

Move. Closer. Passion. Stronger.

There's a magic only two can tell
in the dark night
ultraviolet is a wicked spell.
the stars and planets taking shape
a stolen kiss has come too late

CHORUS

Moving on... Moving all night

CHORUS

Moving on... Moving all night

CHORUS
