

Epica, Living A Lie "The Embrace That Smothers

Don't believe what you see
Believe in me
In my reality
I am a man of God
"

God, can't you hear that I am begging you?"

Don't believe what you hear
Believe in me
and I will reappear
Salvation here at last

"At last, someone to answers all my prayers"

Hope is a desert running dry
Deep inside
You refuse to face the facts
But pray for life
Find salvations in distress
We will wait for
The day you break out and
Re-awake

Lies

Don't believe what you see
Believe in me
And my reality
Eternity indeed

Indeed It's end all and be all there's

Hope is a desert running dry
Deep inside
You refuse to face the facts
But pray for life
Find salvations in distress
We will wait for
The day you break out and
Re-awake

"Domine Iesu, Dimitte nobis debita nostra
Salva nos ab igne inferiori
Perduc in caelum omnes animas
Praesertim eas, quae misericordiae tuae maxime indigent

In nomine Patris, et Filii, et Spiritus Sancti
Amen

Living a lie"

Human power
Will devour
Our senses
Bring us to forget
Human sources will not save
Him now
The power of faith
Heals us all

Hope is a desert running dry
Deep inside
You refuse to face the facts
But pray for life

Find salvations in this phrase
We will wait
For the day you'll break out and
Re-awake
And we wait for the day
To discover there's no way
I can't wait at this rate
It's too little and too late
To live this lie
