Word is bi-dond, rock Esco, FUBU, and Phat Fi-darm
Every time I get my spit on, no doubt, I spark the gridiron

Time to rock, the sound I got, it reigns hot
Makin necks snap back, like a slingshot
E hustle, and muscle my way in
then tussle for days in, on my own with guns blazin
Not for the fun of it, just for those who want me to run it
Then leave them like -- who done it?
Sucka duck, I do what I feel right now
When I spit the illest shit, cats be like, "Wow!"
YO! I get looks when I'm in the place
That's that nigga, makin you +Smile+ with Scarface
Uhh, +It Ain't My Fault+, that my style Silkk enough to Shock ya
Hit you with the fifth, block-a block-a

Two thousand Benz on my eight by ten PICTURE
