

# Equinox Ov The Gods, I.M.A

Sprinkle eyes with grains of sand  
Follow me into my land  
Sleep now, child, close your eyes  
Take my hand and away we fly

Here ends reality as you know it  
The night is here with a gift for you  
You've heard them whisper in the closet  
You've seen them lurk under your bed

Here ends reality as you know that  
You're on your own on the dreampath now  
Grains of sand in your eyes and  
You float away, so far away

Now i lay me down to sleep  
I pray the lord my soul to keep  
If i should die before i wake  
I pray the lord my soul to take

You fade from reality  
No string attached  
In my arms  
No turning back  
You float away  
So far away
