

Erasure, Air Of Mystery

Do I
Exude
An air of mystery
Not quite
I don't want to be
To be deluded
I hate delusion

Well if it's not enough for you
What am I expected to do

One step and you're laughing
Two steps and you're crying
One step and you're laughing
Two steps and you're crying

You
You make us see
A man of ecstasy
Do not do that
I don't want to be
To be excluded
I hate exclusion

Well if it's not enough for you
What am I expected to do

One step and you're laughing
Two steps and you're crying
One step and you're laughing
Two steps and you're crying

Well if it's not enough for you
What am I expected to do

One step and you're laughing
Two steps and you're crying
One step and you're laughing
Two steps and you're crying

One step and you're laughing
Two steps and you're crying
One step and you're laughing
Two steps and you're crying

Taking it one step
Make two steps
One step
Two steps
One step
