## Erasure, Blue Savannah

Blue Savannah song
Oh blue Savannah song
Somewhere 'cross the desert
Sometime in the early hours
In a restless world
On the open highway

My home is where the heart is Sweet to surrender to you only I send my love to you

Blue Savannah song
Oh blue Savannah song
Racing 'cross the desert
At a hundred miles an hour
To the orange side
Through the clouds and thunder

My home is where the heart is Sweet to surrender to you only I send my love to you

I'm on my way back and your love will bring me home (Say that your loving will bring me home) I'm travelling fast and your love will bring me home (Say that your loving will bring me home) Will I discover that your love will bring me home? (Dream away, darling) That your love will bring me home? (Yeah)

Somewhere 'cross the desert Sometime in the early hours To the orange side Through the clouds and thunder

My home is where the heart is Sweet to surrender to you only I send my love to you

Home is where the heart is Sweet to surrender to you only I send my love to you Savannah song Sweet to surrender to you only I send my love to you Savannah song To you only To you only
