

Erasure, Breathe - Album Version

Twenty-seven times I paint the city in lights
Now I changed my mind
I was living fast now I'm running on empty
And I feel yeah I feel
You're gonna go, let me go

Breathe, and I breathe
It's bitter without you I can't live without you
And I'm in love with you

Stood the test of time
Though I treated you rough you were always kind
I let my head rule my heart now I'm feeling so lonely
And I feel it's the deal
You're letting me go gonna go

Breathe and I breathe
Hollow without you I can't live without you

And I'm in love with you

Breathe I believe
Empty without you I can't live without you
And I'm in love with you

Breathe, and I breathe
It's bitter without you I can't live without you
And I'm in love with you

Breathe I believe
Empty without you I can't live without you
And I'm in love with you

Breathe I believe
I can't live without you I can't live with you
And I'm in love with you
