

Erasure, La Gloria

Oh Suzi you're shaking your red hair
Disco diva y flamenco chico
You know the eyes'll all be fixing on you tonight
La bonita a la vista de un marinero
The men in the "casa de rosa"
They have a penchant for living
She'll be dancing till the coca wears off tonight
Who's a bad girl tonight

Tonight she'll be having fun
The likes of which we'll never know
Tonight she'll be having fun
See her go

La la la la la la
La la la la la la
Woah estamos en la gloria

Oh Suzi you're shaking you're red dress
Viva tango to revive the bull
She'll be dancing, she'll be clicking her heels tonight
If you see her estrellita, she'll make you king for a day
Ole to the cabaretera
She'll sing all your troubles away
Looking down the barrel of a loaded gun
Pata tendida!
Si no la bandida
She go rattattatta

!Ariba arriba arriba andale!
Kiss all them working day blues away
Till the light of day

Estamos en la gloria
La la la la la la
La la la la la la
Woah estamos en la gloria
