

# Erasure, No G.D.M.

Wanna be a great dark man,  
Being but a lesbian.  
You are perfect you are sheer,  
if you are a red haired queer.

That's life, one dice,  
c'est la vie, ma cherie,  
but it really doesn't matter.

No GDM, no great dark man  
No GDM, no great dark man

There won't be a great dark man  
If I am a red haired queer  
You are perfect, you are sheer  
If you are a red haired queer

Tel Aviv, had a sniff,  
c'est la vie, ma cherie,  
but it really doesn't matter.

Yellow teeth between pink lips,  
I like Sher with a crazy Lock  
perfume behind a lobe of ear,  
Rouge on my face hides my beard.  
Long violet finger nails,  
I adore those magic tales,  
I don't mind, I don't mind

Wanna be a great dark man,  
Being but a lesbian.  
You are perfect you are sheer,  
if you are a rat tat queer.

That's life, one dice,  
c'est la vie, ma cherie,  
Tel Aviv, had a sniff,
