

# Erasure, The Hardest Part

Let it fill your heart  
And throw it all over  
Like a flower  
Into the water  
Let it fill your heart  
Let it blow you all over  
When you tumble  
Under the water  
What's to come of my life  
Dreaming days away

-Chorus:  
And that's the hardest part  
Of it all for you  
To live your life  
With nothing at all

Chorus

Let me fill your heart  
Let me warm you all over  
Let me hear your laughter  
Run through the water  
Let me fill your heart  
Let it blossom all over  
Like a petal  
Burning the water  
I'll spend the rest of my life  
Walking through the rain

Chorus

I'll spend the rest of my life  
And my waking days

Chorus to fade
