

# Erasure, Weight Of the World

Hey little wise man  
You got the sweetest notion  
Ooh the sweetest thing  
Just once in a lifetime  
You need a helping hand  
Ooh a caring hand

You keep it wrapped up inside  
It's like a lethal potion  
Gonna find it soul destroying

Woah, don't take it any further now baby  
Woah, won't lead you anywhere  
Woah, it's pushing and a hurting you baby  
Woah, I'll say a little prayer

No other wise man  
Could take the hurt like you do  
Ooh the pain like you  
Putting on a brave face  
But it gets to you somehow  
Ooh gets through somehow

You hold your head in your hands  
And the weight of the world on your shoulders  
Come and pour your heart out to me

Woah, don't take it any further now baby  
Woah, won't lead you anywhere  
Woah, it's pushing and a hurting you baby  
Woah, I'll say a little prayer

You keep it wrapped up inside  
It's like a lethal potion  
Gonna find it soul destroying

Woah, don't take it any further now baby  
Woah, won't lead you anywhere  
Woah, it's pushing and a hurting you baby  
Woah, I'll say a little prayer
