

Erasure, When I Needed You (Melancholic Mix)

I'd like to be a child again
So many things to do
Playground noise, and colored toys
And everything brand new
I'd like to be a pirate ship
In search of hidden gold
On ocean waves that swim away
And sail around the world

-Chorus:

Where, where were you
When I needed you most
When I needed a friend
Where, where were you
When I needed you most
When I needed a friend
I'd like to be a soldier
A general I would be
In battle and in glory
With ten thousand men to lead
I could be most anything
There is so much to see
I'd live a different story
If you were next to me

Chorus

Chorus

I could be most anything
There is so much to see
I'd live a different story
If you were next to me

Where, where

Chorus to fade
