

# Eric Benet, When You Think Of Me

Hello baby how ya' been  
it's nice to see your face again  
strange to see you comin' 'round  
when you're the one who put me down  
We were such a happy pair,  
but then another man was there  
Forgive me I don't understand,  
just what you want from me

As you can see my life's been good  
I moved the family out the neighborhood  
And all my dreams I've realized,  
to think you said it was a waste of time  
It's never hard to make new friends,  
when you're making Benjamins  
Now did I hear you say again. . .  
You're still thinking of me?

[Chorus:]

Do you feel like dying, do you break down crying  
Do you fall down on your knees  
Don't want to go on living, does your world start spinning  
When you think of me

All I had was love to bring  
But you was on some ol' material thing  
Looks like you're still trying to drive them mad  
But it's not easy when your credit's bad  
I didn't know that I could feel so blue  
It took some time but girl I'm over you  
Would've gladly gave my life for you  
You should have thought the whole thing through

All those nights with your girlfriends  
Was just a front for you and him  
Y'all was s'posed to leave for Honolulu  
Leaving yo' ass was 'bout the best he could do  
Dry your tears now baby it's O.K.  
I'll introduce you to my fiancée  
Excuse me baby say again. . .  
You been thinking of me?

[Chorus]

[Bridge:]

Do you think of me in waves that pull you under  
From my memory is there nowhere you can hide  
Do you close your eyes, see my face and wonder  
How could a love so strong be nothing but a lie

[Chorus]
