

Eric Burdon, Driftin'

I'm drifting and drifting, just like a ship out on the sea.
I'm drifting and drifting, just like a ship out on the sea.
Well I ain't got nobody in this world to care for me.

If my baby would only take me back again.
If my baby would only take me back again.
I would feel much better, darling, and at least I'd have a friend.

I give you all my money, tell me what more can I do.
I give you all my money, tell me what more can I do.
You is a sweet little girl but I swear you won't be true.

I'm drifting and drifting, just like a ship out on the sea.
I'm drifting and drifting, just like a ship out on the sea.
Because I ain't got nobody in this world to care for me.
