

# Eric Burdon, Driftin'

I'm drifting and drifting, just like a ship out on the sea.  
I'm drifting and drifting, just like a ship out on the sea.  
Well I ain't got nobody in this world to care for me.

If my baby would only take me back again.  
If my baby would only take me back again.  
I would feel much better, darling, and at least I'd have a friend.

I give you all my money, tell me what more can I do.  
I give you all my money, tell me what more can I do.  
You is a sweet little girl but I swear you won't be true.

I'm drifting and drifting, just like a ship out on the sea.  
I'm drifting and drifting, just like a ship out on the sea.  
Because I ain't got nobody in this world to care for me.
