

Eric Burdon & The Animals, Good Times

(Burdon/Briggs/Weider/Jenkins/McCulloch)

When I think of all the good times that I've wasted having good times
When I think of all the good time that 's been wasted having good times

When I was drinkin'
I should've been thinkin'
When I was fighting
I could've done the right thing
All of that boozin'
I was really losin'
Good times
Good times

When I think of all the good time that's been wasted having good times
When I think of all the good time that's been wasted having good times

All of my lying
I remember her crying
My useless talkin'
I couldv'e been walkin'
Instead of complainin'
I couldv'e been gainin'
Good times

Yes, here we all are having a jolly good time
And everything is working out fine, ha ha ha ha ha

Useless talkin'
All that walkin'
All of my sinnin'
I could've been winnin'
I have it too easy
And its a beginning of good times
Good times
I said good times
Talking bout good times
