

# Eric Carmen, Every Way I Can

(david smalley)

I said, "come on, yeah!  
Come on, ooh!  
I've been lookin' for someone  
Just like you"

I said, "come on, yeah!  
Come on, ooh!  
Together we could find out  
What to do"

It's not easy when you fall in love  
But I'm willin' to try, yes I am  
'cause I've been thinkin' 'bout lovin' you  
Oh, oh, oh, every way I can

I said, "come on, baby!  
Come on, try!  
I know you were hurt  
By that other guy"

I said, "come on, baby!  
Come on, please!  
To make you happy

I'm on my knees"

It's not easy havin' just one girl  
But I'm willin' to try, yes I am  
'cause I've been thinkin' 'bout lovin' you  
Oh, oh, oh, every way I can

I said, "come on, baby!  
Come on, try!  
We got this chance  
Don't let it pass you by"

I said, "come on, baby!  
Come on, please!  
If you make me happy  
Then I'll never leave"

It's not easy when you fall in love  
But I'm willin' to try, yes I am  
'cause I've been thinkin' 'bout lovin' you  
Oh, oh, oh, every way I can

Every way I can  
Every way I can
