

Eric Carmen, Inside Story

(Eric Carmen)

I heard my friends
Talkin' bout your reputation
All the things you used to do
They called you cheap
Said a lot of guys had had you
Girl, I don't believe it's true, no

But it's alright
I'm not in it for the glory
Yes, it's alright
Got to know the inside story
The inside story
All about your love
About your love
Talkin' 'bout the inside story
All about your love

You say they lied
Well, it really doesn't matter
Doesn't matter what you've done
Turn off the lights
Won't you tell me that you want me
Tell me I'm the only one, yeah

'Cause it's alright
I'm not in it for the glory
Yes, it's alright
Got to know the inside story
The inside story
All about your love
About your love
Talkin' 'bout the inside story
All about your love

Listen, I don't care what's in your past
All I want is for our love to last
And I don't mind if you're a bit too fast
With me

'Cause it's alright
I'm not in it for the glory
Yes, it's alright
Got to know the inside story
I wanna know the inside story
All about your love
About your love
Talkin' 'bout the inside story
All about your love
Let me know the inside story, yeah
About your love, oh yeah
Got to know myself, oh yeah
