

# Eric Carmen, Last Night

(Eric Carmen)

I think I'll stay at home tonight  
Just play some records  
And catch up on some sleep  
Sometimes I like to be alone  
I've been so busy  
Maybe someone will drop by

Last night when I went to bed  
I was lonely  
Last night when I went to bed  
I was so blue  
But that's the last night  
Yeah, that's the last night  
Well, that's the last night  
I'm gonna lose any sleep over you

I waited for the phone to ring  
And when it didn't  
I turned on the Carson show  
I lit another cigarette  
And dialed your number  
But there was no one at home

Last night when I went to bed  
I was lonely  
Last night when I went to bed  
I was so blue  
But that's the last night  
Yeah, that's the last night  
Well, that's the last night  
I'm gonna lose any sleep over you

I walked across the street  
To the drugstore and I bought a magazine  
Then I came back home  
And read it through

Last night when I went to bed  
I was lonely  
Last night when I went to bed  
I was so blue  
But that's the last night  
Yeah, that's the last night  
Well, that's the last night  
I'm gonna lose any sleep over you

I think I'll stay at home tonight  
Just play some records  
And catch up on some sleep
