

Eric Carmen, Might As Well

(wally bryson)

Might as well give in
Have to say it's true
Can't believe it's happened to me, but,
Ooh, I'm glad it's you
I guess you were the one from the start
And try as I may I can't say that we'll part
So I might as well give in
And say I love you

All the times before
All the love we make
I was so afraid of emotions
I could only take
You were there from the start
And try as I may I can say that we'll part
So I might as well give in
And say I love you

All of my other loves
Made me so sad
Don't want to find out
That lovin' you, needin' you,
Makes you feel bad

Might as well give in
Have to say it's true
Can't believe it's happened to me, but,
Ooh, I'm glad it's you
I guess you were the one from the start
And try as I may I can't say that we'll part
So I might as well give in
And say I love you

I love you
I love you
