Sparrow, say that love's a game
Win or lose, it's all the same
If it leaves, it comes again,
I don't understand

Never let her be too sure
That would be so immature
Keep her guessing, that's the way
To show you really love her

I'd like to stop these guessing games
If it's all the same to you
'cause when they're done
If you are gone

You know you'll make me feel so bad now

Sparrow, sparrow, love's a game
I don't understand

I'd like to stop these guessing games
If it's all the same to you
'cause when they're done
If you are gone
You know you'll make me blue
(feel so bad now)
(you know you'll make me feel so bad now)

Sparrow, say it's time to go
If you care, don't let it show
Hide it so she'll never know
Then she can't hurt you

Then she can't hurt you
