

# Eric Heatherly, The Last Man Committed

Baby won't you take my hand  
I will take good care of you  
It's time for me to take a stand  
I know I've got a lot to prove

Cause oh baby when the last man committed  
He broke your heart  
Betrayed your trust  
When the last man committed  
He told you lies with a tender touch  
Last man committed  
You were victimized and it hurt so much

Baby give me your love  
I know this is serious  
You're so tired of playing games  
Now it's just the two of us  
And darling that's never gonna change

Cause I'll be the last man committed  
Whatever I start baby I'll finish  
The last man committed  
I'm gonna treat you right every single minute  
Last man committed  
Forget the past honey let's get with it

Baby give me your love...

I'll be the last man committed  
Whatever I start baby I'll finish  
The last man committed  
I'm gonna treat you right every single minute  
Last man committed  
Forget the past honey let's get with it

Baby give me your love...  
Give me your love...
