

Eric Johnson, Nothing Can Keep Me From You

Close my eyes, see your reflection
In my life, you always are;
Now I know, my true direction,
'Cause I see, your shining star.
Call out my name,
When you do, I will let you know,
Now my attention's on you;
I was down on the ground,
But I don't need to think about it,
Nothing can keep me from you.
Been so long, to get the reception
Of your smile, I keep in view;
And all your love, and your sweet affection
Makes me feel, so close to you.
Call out my name,
When you do, I will let you know,
Now my attention's on you;
I was down on the ground,
But I don't need to think about it,
Nothing can keep me from you.
Just call out my name,
When you do, I will let you know,
Now my attention's on you;
I was down on the ground,
But I don't need to think about it,
Nothing can keep me from you;
Nothing can keep me from you.
If you could just, give me one more try;
'Cause I'm down on my knees,
And I hope, there's no hang about it,
Nothing should keep me from you.
