

# Eric Johnson, Turn The Page

Oh Elaine, You've broken my dreams  
It's not as it seemed before  
I can see it don't mean to you  
What it could mean to me  
Been a long time, as the road winds  
I'm sideways, in a great haze  
I turn, turn...the page  
Oh Elaine, I'm going insane  
It's cold and the rain won't do  
I'm told I must make this turn  
I guess it won't be with you  
Chorus  
So long, I bid you farewell  
I wish you the best, you know  
Oh Elaine, if you change your mind  
It's me you can find again  
Turn, turn...the page
