Damn damn that was a rough night Hey
You lost a fair fight
I'm still dancing Oooo
Dude you're drunk and what not Hey
You want what I've got
Dreamers dream
I knew you before you were a cool kid
So screw you right Oo

It's gonna drive you mad
It's gonna drive you mad
You'll think about my girl
You'll dream about my world
Tomorrow's gonna hurt like hell
