Erik Santos, I Want To Spend My Lifetime Loving

Moon so bright, night so fine Keep your heart here with mine Life's a dream we are dreaming Race the moon, catch the wind Ride the night to the end Seize the day, stand up for the light

chorus:

I want to spend my lifetime loving you If that is all in life I ever do Heroes rise, heroes fall Rise again, win it all In your heart, can't you feel the glory

Through our joy, through our pain
We can move worlds again
Take my hand, dance with me
I want to spend my lifetime loving you
If that is all in life I ever do
I will want nothing else to see me through
If I can spend my lifetime loving you

Though we know we will never come again Where there is love, life begins Over and over again Save the night, save the day Save the love, come what may Love is worth everything we pay I want to spend my lifetime loving you If that is all in life I ever do I want to spend my lifetime loving you If that is all in life I ever do I will want nothing else to see me through If I can spend my lifetime loving you
