

# Erika Jo, Go

Sweaty hands, quicksand  
Know I should, but I'm scared I can't  
It's a big move, everything to lose  
What if it's nothing like the way I planned  
What if, what if I fail  
What if chasing my dream's just chasing my tail  
Do I listen to the voice telling me to stay  
Or listen to the voice that's screaming out

Go  
Just go  
Just go with your heart  
Go with the flow  
There's only one way you're ever gonna know  
Go

This town, safe and sound  
Already know my way around  
Got a few good friends and a few good men  
That'll buy me flowers and take me out  
What if, what if I stay  
Do I really want to spend the rest of my days  
On a dead-end street in a dead-end job  
I could live like that, but my dreams won't stop

Go  
Just go  
Just go with your heart  
Go with the flow  
There's only one way you're ever gonna know  
Go

Just forget it  
Everybody said it  
But I know I'd regret it if I didn't  
Go, just go

Go  
Just go  
Just go with your heart  
Go with the flow  
There's only one way you're ever gonna know  
Go

Just go
