

Erin McCarley, Blue Suitcase

Oh, wise one
If you knew the answer why'd you ask the question?
Oh, wise one
If you're such a someone
Why do you give nothing to anyone
You wiggle your way into me time and again
You love to speak your mind
So it's fair to say I'm not open today
To have my heart twisted
Your blue suitcase is empty hey
What's your wait? (x2)
Oh, wise man
How do you get high man
You must be self-absorbing
Oh, wise man save me from your high man
I came for another of your stuck up drugs
My confidence says "I am worth it today" so try and change its mind
Kiss your sweet girl away
You've found your bay
Now you will know what lonely pays
Your blue suitcase is empty hey
What's your wait? (x2)
Na na na na na na na na na na na na na na (x2)
So tell me how does it feel to be so high above the clouds? (x2)
And tell me how will it feel when no one cares that you're not around?
Your blue suitcase is empty hey
What's your wait? (x2)
Your blue suitcase is empty hey
What's your wait?
