

Ernest Tubb, Even The Bad Times Are Good

If there's a chance that your heart misses the words I try to say with kisses

If I don't seem to look as happy as I should

I wouldn't want to live without you I love everything about you

Yes even the bad times are good

Your middle name should be perfection for that's what you are to me

Even in my darkest moments you made it easier to see

I wouldn't change one thing about you if I knew that I could

Yes even the bad times are good

[steel]

You never let me feel mistreated your love is all I've ever needed

When I was weak somehow you always understood

You're not afraid of stormy weather that's what keeps our love together

Yes even the bad times are good

Your middle name should be perfection...
