

Ernest Tubb, I'll Be There (If You Ever Want Me)

There ain't no chains strong enough to hold me ain't no breeze big enough to slow me
Never have seen a river that's too wide
There ain't no jail tight enough to lock me ain't no man big enough to stop me
I'll be there if you ever want me by your side
So love me if you ever gonna love me never have seen a road too rough to ride
There ain't no chains strong enough to hold me ain't no breeze big enough to slow me
I'll be there if you ever want me by your side
[guitar - steel]
There ain't no rope strong enough to bind me look for me honey you will find me
Any old time you're ready with your charms
I'll be there ready and a watin' there won't be any hesitation
I'll be there if you ever want me in your arms
So love me if you ever gonna love me...
