

Ernest Tubb, Mr. And Mrs. Used To Be

Now we go our separate ways Mr and Mrs Used To Be
For oh so long I've loved you I know that you loved me
But time moved on and we grew far apart
It's not the way I wanted but the judge has set you free
Although you're still the first one in my heart
I just don't understand it how people such as we
Could know the love that we have known but somehow disagree
I hope that you'll be happy the same dear you from me
Now we go our separate ways Mr and Mrs Used To Be

[guitar]

At first it was like heaven on earth for you and me
But heaven's sure has changed a lot since then
I can't put all the blame on you for some belongs to me
But started out at heaven reached an end
I guess we could have made it but pride stood in our way
For love to live it must have worked we never seemed the same
And so I say goodbye now kiss the kids for me
Now we go our separate ways Mr and Mrs Used To Be
