

Ernest Tubb, Waltz Across Texas

When we dance together my world's in disguise it's a fairyland tale that come true
And when you look at me with those stars in your eyes

I could waltz across Texas with you

Waltz across Texas with you in my arms waltz across Texas with you

Like a storybook ending I'm lost in your charms

And I could waltz across Texas with you

[steel - ac.guitar]

My heartaches and troubles are just up and gone the moment that you come in view

And with your hand in mine dear I could dance on and on

And I could waltz across Texas with you

Waltz across Texas...
