

# Ernie Halter, Nobodys Girl

She don't need anybody  
To tell her she's pretty  
She's heard it every single day of her life  
He's got to wonder what she sees in him  
When theres so many others standing in line  
And she gives herself to him  
But hes still on the outside  
Shes alone in this world  
Shes nobodys girl

She shows up at his doorstep in the middle of the night  
Then she disappears for weeks at a time  
Its just enough to keep him wanting more  
But never is he satisfied  
And hes left to pick up the pieces  
Wondering what does he do this for  
Shes off in her own little world  
Shes nobodys girl

I said Before I met her  
I didn't love nothing

I could take it or leave it  
That was okay  
She brings out a want in me  
The things I didn't even know that I need

She does anything she wants  
Anytime she wants to  
The thing when you know  
She wants it all  
And still she gets all upset  
Over the least little thing  
When you hurt her  
It makes her feel so small

And Shes a walking contradiction  
But I ache for her inside  
Shes fragile like a string of pearls  
Shes nobodys girl  
Shes fragile like a string of pearls  
Shes nobodys girl
